Career Objective

A dedicated and ambitious social researcher, I seek to obtain a full-time position where I can apply my academic knowledge and skills in research, data analysis, and social observation, contributing to community development and strengthening family cohesion.

Work Experience

Family Consultant – Sharjah Family Court

- Addressed family issues and prepared relevant reports.
- Reduced the intensity of conflicts by providing amicable solutions between parties.
- Offered guidance and counseling that contributed to preventing divorce cases.
- Awarded a certificate of appreciation from the Family Court for outstanding efforts.

Volunteering

Volunteer – Al Qassimi Hospital, Sharjah

- Provided support and assistance to elderly patients during their hospital visits.
- Helped patients move between departments and meet their needs.
- Supported the administrative team in scheduling appointments and communicating with patients via phone.
- Assisted staff in carrying out daily tasks and facilitated services for visitors.
