CAREER GOAL

Medical Laboratory Specialist with extensive training experience in laboratory diagnostics. Committed to deliver an accurate and timely patients results. Skilled in sample collection, laboratory instrumentation, and QC. I aim to secure a position as laboratory specialist in an advanced and leading healthcare organization where I can contribute to laboratory excellence and ensure compliance with CBAHI standards.

TRAINING EXPERIENCES

King Saud Medical City | Riyadh, Saudi Arabia

Intern Medical Laboratory Intern | 07/2025-07/2026

- Departments: HLA, Flow Cytometry, Microbiology, Blood Bank, Molecular Diagnostics, Hematology, Clinical Chemistry, Immunology, Serology, Histopathology, Cytology.
- Performed routine hematology tests: CBC, ESR, peripheral blood smears, coagulation and special tests.
- Validated hormone and biomarker results accuracy, consistency, normal range compliance before result release.
- Assisted in bacteria and fungal culture, media and growth identification, and sensitivity testing.
- Supported blood bank tasks: ABO/Rh typing, peripheral blood smear, compatibility testing, and storage.
- Assisted in DNA/RNA extraction, ELISA performing, PCR analysis, and general molecular diagnostics.
- Performed immunology for Ab-Ag detection (HIV, HCV, HBV), and molecular testing using ELISA and PCR.
- Received tissue and cells samples and performed fixation, embedding, staining, and microscopic examination.
- Managed, tracked, and documented patient samples using the Laboratory Information System (LIS).
- Performed devices operations: daily QC, maintenance , calibration, waste removal, and troubleshooting.

EDUCATION

Northern Border University, Applied Medical Sciences Faculty | Arar, Saudi Arabia

Bachelor's Degree in Medical Laboratories Science | 2026

PROFESSIONAL LICENSES

- Classification Certificate as Specialist | Saudi Commission for Health Specialties - SCFHS | 07/2025-07/2028
- Basic Life Support BLS-CPR Provider | Saudi Heart Association - SHA | 06/2026-06/2028

COURSES AND CERTIFICATES

- Cell Death Course | Clinical Science Training Centre | 08/2026
- CPHQ Introduction Training | Anexas Europe
- Public Safety, Security, Hazardous Materials and Medical Waste, Disaster Preparedness, Fire Safety, Biomedical Engineering, Service Management | King Saud Medical City | 04/2025-04/2027
- Basic Medical Laboratory Skills: Quality Control | American Society for Clinical Pathology - ASCP | 08/2026
- Fundamentals of Flow Cytometry: Flow Cytometry Basics | Bio-Rad Academy | 08/2026
- Laboratory Quality According to ISO 17025 Specifications | LEK | 06/2026-07/2026
- Preventive Care and Improving Quality of Life | Daroub | 06/2026
- Crisis and Disaster Management | Daroub | 06/2026
- Basic Infection Control Skills - MERS-CoV and COVID-19 Competency | King Saud Medical City | 2025
- PCR and Real-Time PCR | Al-Borg Academy | 12/2025
- Molecular Biology and Genetics | CSTC | 04/2025
- Excel Spreadsheets | Edraak Platform | 02/2025

SKILLS

Hard Skills

- Phlebotomy And Sample Collection
- Turnaround Time Monitoring (TAT)
- Routine Laboratory Testing Procedures
- Computer and Microsoft Office Proficiency
- Data Entry and Result Interpretation (LIS)
- Quality Control and Quality Assurance
- Medical Devices Operation and Maintenance

Soft Skills

- Attention to Detail and Accuracy
- Time Management and Organization
- Adaptability and Flexibility
- Problem-Solving and Decision-Making
- Effective Communication Skills
- Team Work and Collaboration
- Multitasking and Work Under Pressure

HEALTH VOLUNTEERING

- Organizing a First Aid Basic Skills Instructor Training Course | 10 Hours - 05/2025
- Introducing the Specializations of Applied Medical Sciences at Secondary School Faculty | 5 Hours - 05/2025

- Awareness Seminar Entitled (Healthy Habits) at Primary School | 5 Hours - 04/2025
- Organizing and Presenting a Health Workshop | 50 Hours - 02/2025
- Certificate of Volunteer Work | Saudi Red Crescent Authority | 8 Hours - 2025
- Organizing a Blood Donation Campaign at Northern Border University | 10 Hours - 09/2024

LANGUAGES

- Arabic | Native Speaker
- English | Fluent
